Disclaimer: The City continues to review several sources of information to monitor the Monkeypox outbreak. All data used herein is not owned or maintained by the City of Atlanta. Data has been sourced from the Centers for Disease Control and Prevention (CDC), the Administration for Strategic Preparedness and Response (ASPR), the Georgia Department of Public Health (GA DPH), and the Fulton County Board of Health (FCBOH). Fulton County-wide data are used as a proxy for City of Atlanta jurisdiction in most cases. Data and guidelines will be updated based on recommendations from local, state, and federal public health experts. The City of Atlanta does not claim responsibility for the accuracy of the source data.
