CDC Community Level and Recommendations

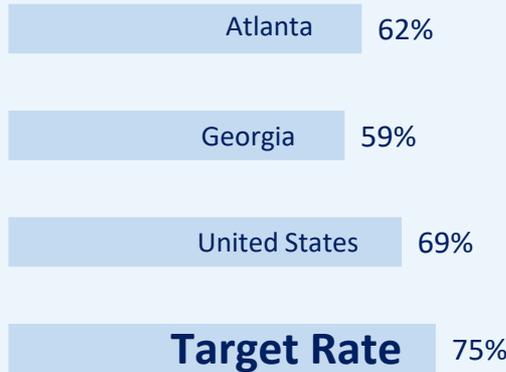

[covid.cdc.gov](https://www.cdc.gov)

- ✓ Stay up to date with COVID-19 vaccines and boosters
- ✓ Maintain improved ventilation throughout indoor spaces when possible
- ✓ Follow CDC recommendations for isolation and exposure, including testing guidance
- ✓ If you are immunocompromised or high risk for severe disease: (1) have a plan for rapid testing if needed, and (2) talk to your healthcare provider about whether you are a candidate for treatments like oral antivirals, PrEP, and monoclonal antibodies
